

Jazz Today.....

There's so much good jazz being recorded around the world....a lot of it on small labels....and yet it rarely gets airplay. **JAZZ TODAY**....in its own small way....tries to put that right!

JAZZ TODAY is a fortnightly radio show on Cambridge105. It is broadcast live in Cambridge UK on 105FM and online at **Cambridge105.FM**.

JAZZ TODAY ONLINE is a quarterly cloudcast of some of the best tracks to appear on **JAZZ TODAY**.
